« Lots of blackcurrant and black-licorice character with refinement and finesse to the palate. Really polished tannins with length. »

« I believe the second wine of Château Fonbadet, the 2020 l'Harmonie de Fonbadet is a charming, medium-bodied wine from this estate, revealing wonderful purity in its darker, almost blue fruits as well as notes tobacco, violets, and damp earth. It has a beautiful balance and ripe tannins, and I would certainly drink a bottle. »
